Area of Outstanding Natural Beauty

Route 3: Blanchland

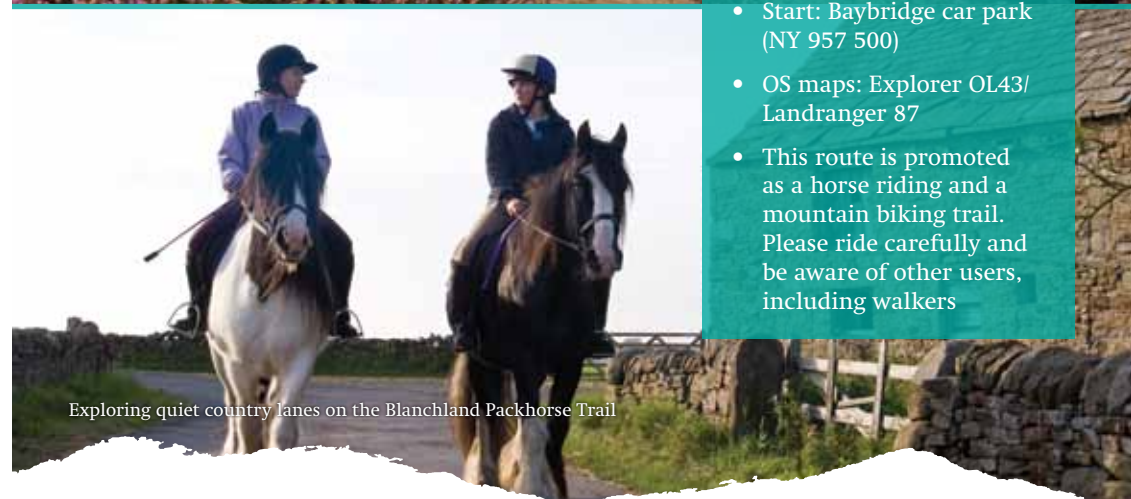

This stunning ride starts at Baybridge, close to the village of Blanchland. You'll follow the Carriers' Way across Bulbeck Common, alive with the evocative calls of wading birds in the spring and early summer.

Cycling across Blanchland Moor is an exhilarating ride

Fact file

- Length: 21km (13 miles)
- Off-road: 70%
- Ascent: 1,027m (3,370ft)
- Terrain: Steep climb at start, followed by undulating moorland riding. Stony tracks and rough ground in places
- Start: Baybridge car park (NY 957 500)
- OS maps: Explorer OL43/Landranger 87
- This route is promoted as a horse riding and a mountain biking trail. Please ride carefully and be aware of other users, including walkers

Exploring quiet country lanes on the Blanchland Packhorse Trail
